14
          Lorem Ipsum is <strong> simply dummy text </strong> of the printing and typesetting
15
  industry.<em> Lorem Ipsum </em> has been the industry's standard dummy text ever since the 1500s,
  when an unknown printer took a galley of type and scrambled it to make a type specimen book. It
  has survived not only five centuries, but also the leap into electronic typesetting, remaining
  essentially unchanged. It was popularised in the 1960s with the release of Letraset sheets
  containing Lorem Ipsum passages, and more recently with desktop publishing software like Aldus
  PageMaker including versions of Lorem Ipsum.
